Appendix

DCI Component	Description
No high school diploma	Share of the 25 and older population without a high school diploma or equivalent

第3页 共4页 2024/6/14 22:24

Poverty rate	Share of the population below the poverty line
Adults not working	Share of the prime-age (25-54) population that is not currently employed
Housing vacancy rate	Share of habitable housing that is unoccupied, excluding properties that are for seasonal, recreational, or occasional use
Median income ratio	Median household income as a share of metro area median household income (or state, for non-metro areas and for all congressional districts)
Change in establishments	Percent change in the number of business establishments
Change in employment	Percent change in the number of jobs
